**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose sonic instead of AT&T and COMCAST because Of better service and more stable, less costly monthly rate. I've had service with my he other two before, constant increases and endless hours (truly) spent on the phone for any issue. Sonic has been great and consistent. I started with the copper wire then went fiber when it came available. Having competition for this service has helped me--I found sonic as a recommendation from a friend when complaining about COMCAST xfiniti. Please keep internet provider competition!
